Note: Inquire about special pricing for educational institutions or bulk volume pricing.

(1) - EFUSA Approved National Acct/Multi-Unit Pricing may vary by customer.

Distributors supplying replacement filters for EFUSA approved NA/MU customers will receive a rebate, if necessary, to maintain a minimum 15% markup over distributor cost.

* - Shipping/freight not included.

** - If purchased in container quantity (600+/cases), assorted sizes, freight included to Distribution Center.

TBD - Hardware Pricing for Distributors will be contracted locally by market area.
